VENTURES

ATTRACTIONS

Experience the **excitement** of our state-of-the-art laser tag system in a **6,000 square-foot** multi-level futuristic fog-filled industrial cityscape.

LASER TAG

Zap your friends with **bright green lasers**, protect your base and score points for you and your team. But keep moving and find cover behind crates, walls and construction obstacles or else you'll get zapped. **Heart-pounding thrills** for kids and adults alike!

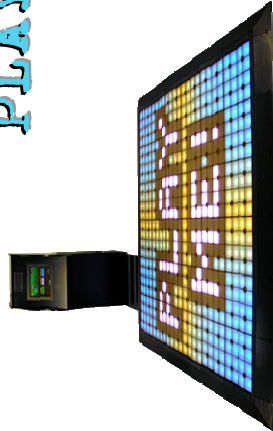

URBAN GOLF

Test your putting skills on the **glow-in-the-dark** "greens" of our indoor highly themed miniature golf course. Nine holes wind through a labyrinth of obstacles and props providing challenges and a jaw-dropping **"wow factor"** to novices and experts alike. With glowing props, putters and balls, Urban Golf is guaranteed to be unlike any miniature golf course you've played before!

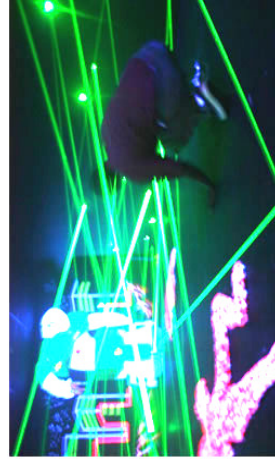

LIGHTSPACE PLAY FLOOR

Play games and challenge your friends to copy your best dance moves on our Lightspace Play Floor, a high-tech cutting-edge **interactive floor** pulsating with bright colors. With many **fun and exciting games** that will get you on your feet and keep you moving!

LASER MAZE CHALLENGE

Take the challenge and find out how quickly you can navigate through a room full of **bright green laser beams** criss-crossing a fog-filled Laser Maze. Speed counts, but don't break the beams or else you'll lose points. Channel your **inner spy** and test the limits of your flexibility and coordination while your friends watch on our giant screen television!
