We want all our patrons to have fun and stay safe. Following a few simple rules and the instructions of Red Zone Adventures ("RZA") staff goes a long way to help make everyone's experience exciting, action-packed and injury free. We may refuse admission to and eject anyone who fails to follow our posted rules or instructions or otherwise causes a safety hazard.

Laser Tag is a physical activity that, like other physical activities, involves a risk of injury. Our arena is dimly lit, haze-filled, and full of obstacles, walls, platforms and ramps. Many people are in the arena at the same time, often moving quickly and quietly. While our arena is supervised, no part of the arena is supervised continuously. Certain medical conditions, including asthma, epilepsy and seizure disorders can be exacerbated or triggered by Laser Tag play, and all appropriate care should be taken if you have any such condition.

By signing this agreement, you agree that you have read and understand the above paragraphs and the statements below, and further:

You agree to follow all posted rules and instructions of RZA staff.

You accept and assume all risk of injury from participation at RZA.

You release RZA and its owner(s), affiliates, members, managers and employees from all claims, liabilities and losses that may arise from your play or participation, except if arising solely from our gross negligence.

You will report any injury sustained at RZA as soon as practical, but no later than your departure.

You will indemnify, defend and hold harmless RZA and its owner(s), affiliates, members, managers and employees from any claims, liability, suits or damages made, alleged or suffered by anyone arising out of your activity or conduct at RZA.

If you are signing this as a parent or guardian on behalf of a minor, you agree to be bound by the terms of this Player Waiver and give consent such minor to participate in activities at RZA.

Signature: _____

If under 18, adult parent or guardian must sign.
